**Punj Lloyd Group clinches Rs 1770 crore contract in Jurong Island  
Sembawang E&C to execute the turnkey project at the new mega Jurong Aromatics Complex on  
Jurong Island, Singapore**

**New Delhi, November 5, 2007;** Punj Lloyd's wholly owned subsidiary, Sembawang Engineers and Constructors (Sembawang E&C), one of the largest engineering and construction companies in Southeast Asia, been awarded a major turnkey contract worth US\$450 million for engineering, procurement and construction work at the new mega aromatics plant on Jurong Island.

The contract was awarded by Jurong Aromatics Corporation Pte Ltd (JAC) which had recently announced plans to develop the world-scale US\$2 billion JAC Complex that will produce energy and aromatics products to regional end-users as well as to global downstream producers and traders in the textile and plastics industries.

Under the terms of the contract, Sembawang E&C will be responsible for the engineering, procurement and construction of all the ancillary facilities, including the intermediary and finished product tankage, receiving and exporting jetties, power and steam co-generation plant, waste water treatment unit as well as other utilities and infrastructure which are necessary to provide support to the main conversion units.

Work on the JAC Complex will start in 2008 and is slated for completion in 2011. Upon completion, the JAC facility will have a capacity of around 1.5 million tonnes of aromatics, comprising 800,000 tonnes of para-xylene, 200,000 tonnes of ortho-xylene, and 450,000 tonnes of benzene, as well as about 2.5 million tonnes of petroleum products.

Mr Alwyn Bowden, President and CEO, Sembawang E&C said, "We are delighted by this award and to be involved in the engineering and construction of this aromatics facility which will be one of the largest privately-owned petrochemical projects in Singapore and the region. Being selected for this project by an international consortium like JAC is testament to our expertise and capabilities in delivering world-class EPC work on sophisticated industrial plants and infrastructure projects."

With this, the order backlog for the Punj Lloyd group on consolidated basis has gone up to Rs 16,622 crore. This is the total value of unexecuted orders as of September 30, 2007 and new orders received till date.
