Commenting on the Company's performance for Q3 FY2013, Mr. Atul Punj, Chairman, Punj Lloyd Group, said:

"The quarter under review has seen the Company win some prestigious orders in India and internationally, together with entry into a new market with an infrastructure order.

I am happy to observe a gradual change in global sentiments and am cautiously optimistic about the future. Our order book continues to expand at a healthy rate despite difficult market conditions. Delay in payments from clients and high interest costs have impacted us adversely".
