## Auditors qualification

- The Company during the previous year had **taken credit for a claim** of Rs. 243 Cr on a contract and has also **not accounted for liquidated damages** amounting to Rs. 65 Cr deducted by the customer in view of the reasons stated in the said note. Further, there are other debtors outstanding of Rs.83 Cr and unbilled work in progress of Rs. 166 Cr relating to the said contract as at June 30, 2011. Due to the uncertainty over ultimate collection of the said amounts, we are unable to comment on the same. Our previous year ended March 31, 2011 audit report was also qualified in respect of the same matter.

## Management Note:

- The Company had during the previous year accounted for a claim of Rs. 243 Cr on a contract, based upon management's assessment of cost over-run arising due to design changes and consequent changes in the scope of work on a project and had also not accounted for liquidated damages amounting to Rs. 65 Cr deducted by the customer since it is of the view that the delay in execution of the project is attributable to the customer. Further, there are other debtors outstanding of Rs. 83 Cr and unbilled work in progress of Rs. 166 Cr relating to the said contract as at June 30, 2011. The Company has initiated arbitration proceedings against the customer during the year. The management, based on the expert inputs, is confident of recovery of amounts exceeding the recognized claim and waiver of liquidated damages and is also confident of recovery of other debtors and unbilled work in progress.

The Company has also filed the details of the outstanding assets with the Ministry of External Affairs, Government of India. Pending the outcome of the uncertainty, the aforesaid amounts are being carried forward as realizable

# AUDITOR'S CONTINUING OBSERVATION AND MANAGEMENT COMMENTS

## Auditors qualification

- The Company during the year had taken **credit for a claim of Rs. 89.73 Cr on two contracts, which are pending acceptance by the customers.** Due to the uncertainty over ultimate collection of the said amounts, we are unable to comment on the same.

## Management Note

- The Company had during the year accounted for a claim of Rs. 89.73 Cr on a contract, based upon management's assessment of cost over-run arising due to delay in delivery of free issue of material by the client on the project. Management, based on its assessment, is confident of recovery of amounts exceeding the recognized extra stay cost and is also confident of recovery of other debtors and unbilled work in progress.

## Emphasis of Matter:

- Deductions made/ amounts withheld by some customers aggregating to Rs. 72.51 Cr on various accounts which are being carried as sundry debtors. The ultimate outcome of the above matters cannot presently be determined although the Company is of the view that such amounts are recoverable and hence no provision is required there against.

## Management Note:

- The Company had executed certain projects for some customers in earlier years. These customers have withheld amounts aggregating to Rs. 72.51 Cr on account of liquidated damages and other deductions, which are being carried as sundry debtors. The Company has also filed certain claims against these customers. The Company has gone into arbitration/ court proceedings against these customers for recovery of amounts withheld as liquidated damages & other deductions and for claims of the Company. Pending outcome of arbitration, amounts withheld for liquidated damages & other deductions are being carried forward as recoverable. The Company has been legally advised that there is no justification in imposition of liquidated damages and other deductions by these customers and hence the above amounts are considered good of recovery.

# AUDITOR'S OBSERVATION AND MANAGEMENT COMMENTS
