Adani Power Back in Running for Lanco Unit, makes Improved Offer

Submits offer of ₹3,650 cr for Lanco Amarkantak Power versus earlier proposal of ₹2,950 cr

Sonia Mehra | [timesgroup.com](#)

operates coal-based thermal power projects along the Jharkha-Chhatisgarh border in Chhattisgarh. Adani Power has re-issued its offer to acquire bankrupt Lanco Amarkantak Power after the bidding of the rice last December. This week, the company submitted an improved offer of ₹3,650 crore to lenders versus the ₹2,950 crore proposal it made in December and for people aware of the development.

The thermal power company's lenders will meet Thursday (November 23) to review the offer from Adani, the people said. Adani's new offer comes several months after a majority of lenders voted for a ₹1,000 crore restructuring plan from PPC led consortium Lanco Amarkantak Power, which is undergoing corporate liquidation.

The thermal power company's lenders will meet Thursday to review the offer from Adani.

LOWER COSTS BOOST BOTTOM LINE

Ambuja Cements Profit Surges over 4-fold in Q2

Posts standalone profit of ₹644 cr, top line rises 8% to ₹3,970 cr

Our View

Mumbai: Ambuja Cement's quarter for the July-September quarter remains unchanged year-over-year, but better cost efficiency and lower fuel expenses.

The Adani Group company reported a standalone profit of ₹644 crore (compared to ₹130 crore last year). The standalone top line improved 8% to ₹3,970 crore (from ₹3,650 crore last year) and similar sales volume grew by 2% to 1.7 million tonnes.

The company's expense declined by 2% year-over-year, despite higher volumes. This, after fuel costs declined by nearly a third. Subsequently, margins before interest, tax, depreciation and amortisation (EBITDA), improved for nearly 10% to ₹714 crore. EBITDA margin more than doubled to 18.5%.

"Along with strong demand for our premium cement products,

our business performance improved due to operational excellence, supply chain management and sales & marketing evolution," said Ajay Kataria, the chief executive officer of Ambuja Cement. "In addition, our operational efficiencies also helped in reduction in kiln fuel cost."

As a consolidated level, which includes the results of subsidiary ACC Ltd, the cement maker reported revenue of ₹1,423 crore, up 4% year-over-year.

The consolidated bottom line increased to ₹101 crore from ₹70 crore. Ambuja Cement's stock rose 4.8% on Wednesday to close at ₹98.75 on the BSE. Benchmark Sensex lost 1.4% during the session.

The cement maker has ordered the equipment and civil work has started for its upcoming 4 million tonnes per annum (MTPA) manufacturing facility at Bhadrachalam, Kataria said. The work is expected to be completed in the coming 24 months. For the corresponding period, the cement maker has placed an order for a 200,000-tonne and 100,000-tonne, respectively.

Adani Wilmar Posts ₹130-cr Loss on Sluggish Cooking Oil Business

New Delhi: Edible oil major Adani Wilmar on Wednesday reported a consolidated net loss of ₹130.73 crore for the September 2022 quarter, as profitability was badly impacted in the cooking oil business. The company, which sells edible and other food products through its retail and food service brands, had posted a profit of ₹86.30 crore in the year-ago period. It had been a record ₹271.22 crore during the July-September period of 2021-22.

The total net loss of ₹130.73 crore for the September quarter, according to a regulatory filing. The total net loss of Adani Wilmar, an equal joint venture between business conglomerate Adani Group and Singapore-based Wilmar, stood at ₹12.46 crore during the second quarter of the fiscal against ₹11.80 crore in the year-ago period. Adani Wilmar MD & CEO Anandhi said, "While the profitability in edible oils is impacted consecutively for the second quarter, we believe that the abnormality will soon reverse."

Tata Power Appoints Deepesh Nanda as Prez-Renewables and CEO of Arm

New Delhi: Tata Power on Wednesday said Deepesh Nanda has been appointed as President-Renewables and CEO & MD of its subsidiary Tata Power Renewable Energy Limited (TPREL). His appointment is effective November 1, 2022. Nanda will be responsible for driving the growth and profitability of Tata Power's renewables.

TPREL is a wholly owned subsidiary of Tata Power, which is a public limited company listed on the Bombay Stock Exchange. Nanda is a former executive of Tata Power, where he was the Chief Executive Officer (CEO) and MD of its subsidiary Tata Power Renewable Energy Limited (TPREL). His appointment is effective November 1, 2022. Nanda will be responsible for driving the growth and profitability of Tata Power's renewables.

WeWork Global's Bankruptcy Won't Impact India Unit, says Top Exec

Sonia Khan | [timesgroup.com](#)

Bengaluru: New York-based government WeWork's warning of a bankruptcy risk would not have an impact on the India unit as it is a separate unit from WeWork Global, the company's regional CEO Karan Virmani said.

Virmani said, "WeWork India, which is backed and owned by Indian real estate firm Kinross Group, will continue to operate as usual," said Virmani.

WeWork India, which is backed and owned by Indian real estate firm Kinross Group, will continue to operate as usual, said Virmani.

"WeWork India is a separate entity from WeWork Global. The recent news around the potential bankruptcy and Chapter 11 filing in the US will have no impact on the India unit. Any development in the US has no bearing on the operations of the Indian unit. We will continue to operate as usual," said Virmani.

WeWork India, which is backed and owned by Indian real estate firm Kinross Group, will continue to operate as usual, said Virmani.
