

We are Punj Lloyd

The one name behind some of the world's most prestigious projects in oil & gas, infrastructure and petrochemicals.

Our multicultural and multiskilled workforce of 15,000 professionals is uniquely empowered to work on global projects of magnitude while anticipating and overcoming local challenges. Spread over five continents, this highly adaptable team can take on any challenge in any region of the world, any climate and any terrain.

Our diverse workforce delivers success beyond expectations.
