

Upstream. Midstream. Downstream.

We bring a certain energy to all our client projects.

Our technological expertise, safety and environmental concerns and quality assurances have established us as one of the major global players in the process plant business. Client endorsement at international levels, by way of projects, bears testimony to our skills and proficiency at delivering results beyond client expectations.

Providing turnkey solutions for our clients, some of our significant projects are Motor Spirit Quality Upgradation Project for IOCL, Haldia Refinery, Offshore EPC Project, Heera Redevelopment, Hydrocracker Units at IOCL Panipat Refinery and Mathura Refinery, Peciko Development Project Phase 4, Indonesia and Gas Field Development in Western Rajasthan, India for Oil India.

Along with group companies, Simon Carves and Sembawang, we're also present in a host of verticals and have made an indelible mark in gas processing, nuclear energy, petrochemical and urban infrastructure.

The Punj Lloyd Group.
We'll go to the end of the world to give you the best on earth.
